

# It Takes MY Child to RAZE A Village

## Vender/Merchant Registration Form

Thank you for your interest in Merchenting at It Takes MY Child to RAZE A Village!

This is an adult/child cooperative event. More children will be present than at your typical SCA event. Please keep this in mind as you prepare and set up for this event. In their excitement, children may forget to look with their eyes and instinctively look with their hands. Gentle reminders may be needed. I'd like to thank you in advance for your patience.

**The booth fee is \$15** and will reserve an 8 x 10 ft indoor area with one 6 ft banquet table and 2 chairs. You may, of course, bring your own tables, chairs, and display. More room or additional tables and chairs may be available the day of the event. The booth fee includes one adult SCA member site fee.

To Merchant at this event, you must provide one of the following:

- 1) Provide a demonstration of your art. This can be hands-on or a stationary display. The demo may be on-going or take place at advertised times at your "booth." If your demo requires additional space, please contact me before the event.
- 2) Provide Child-Friendly (i.e., price and purpose) items for sale relating to your art. These items must be of a period style and be something a child of the SCA period would have possessed, played with, or made. We recommend these items be priced under \$5.00 U.S. **ABSOLUTELY NO PLASTIC or ORIENTAL TRADING-TYPE ITEMS!**

Space will be reserved on a first-come first-served basis; however, preference will be given merchants willing to make this event more Child-Friendly.

Please fill out the Merchant Registration Form included and bring it with payment to:
